Accounts - Tungabhadra Project - Distribution of budget provision according to major works - Orders issued.

FINANCE(BUDGET GENERAL)DEPARTMENT
G.O.Ms.No.1050, dated 31st July 1953.

***

Read the following:-

G.O.Ms.No.374 Finance dated 3rd April 1951
From the Chief Engineer(T.P.) No.278/50-G-20, dated 30-10-1952
From the Accountant General, W.M.15-43(a)-34/725/49-53 dated 5-5-1953

ORDER

In the Government Order cited, the Chief Engineer(T.P.) was asked to furnish a statement which was to be treated as an Annexure to the Detailed Irrigation Budget, splitting up the details in the Budget into specific units in accordance with the lists in Annexure II to the G.O. and also to give a full list of all major works and new minor works costing over Rs.2,500 covered by the provision made in the relevant sub-heads in the Estimates of each year.

The Chief Engineer(Tungabadra Project) considers that it will be impossible to distribute the grant for each year among all the major works and minor works estimates costing over Rs.2,500 and watch them work by work as the Project comprises hundreds of such works and that as the Project is nearing completion it is inadvisable at this stage to introduce new procedural elaborations. He therefore suggests that the rules regarding the distribution of grants amoung individual major works and minor works costing above Rs.2,500 may be waived in the case of the Tungabhadra Project and that the existing practice of distributing grants among detailed account heads may be continued. The Accountant General on the other hand insists on the conduct of appropriation audit against each major estimate according to the rules contained in Chapter V read with Appendix 4-A of Madras Public Works Account Code. In view, however, of the facts stated by the C.E., he recommends that, as a special case in respect of the Tungabhadra Project, a list of major wofks costing over Rs.50,000 only need be furnished as an Annexure to the Irrigation Budget commencing from 1953-54. The Government accept the Accountant General's recommendation and direct the Chief Engineer(Tungabhadra Project) to furnish to the Accountant General a list of major works costing over Rs.50,000 only in respect of the Tungabhadra Project with effect from 1953-54 and to submit a copy of it to the Government.

(By Order of the Governor)

T.A.Varghese,
Secretary to Government.

To the Chief Engineer (Tungabhadra Project).
To the Accountant General, Madras.
Copy to the Public Works Department.
